Unser Maskottchen

Das EMU

Kennt ihr schon unser EMU?

Das Maskottchen des Elztal**MU**seums taucht immer dann auf, wenn

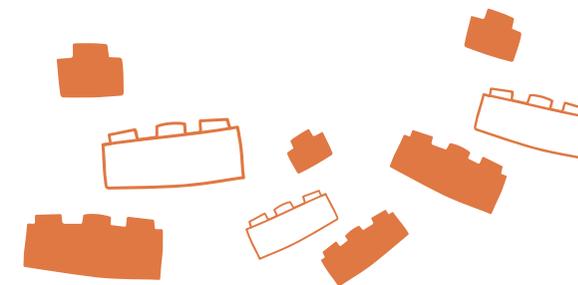

- der Museumsclub „Die Orgelpfeifen“ aktiv wird,
- in der Ausstellung gestempelt, gepuzzelt oder gemalt werden darf oder
- wenn das Angebot speziell an Kinder und Jugendliche gerichtet ist.

Unser Maskottchen Das EMU

Von Down Under ins Elztal - Ein EMU aus LEGO®-Steinen

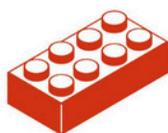

Zur Sonderausstellung "Weihnachtsmann & Co. - Winterliche LEGO®-Welten" (Laufzeit 01.12.2024 - 26.01.2025) entstand die Idee, auch unser Museums-Maskottchen als Bausatz mit den beliebten Steinchen anzubieten.

Fündig wurden wir - natürlich - in **Australien**, wo der große Laufvogel lebt!

Der Designer von Brick A Shop

Shamir Muhammad ist 2016 mit Familie von Singapur nach Australien ausgewandert.

Brick A Shop
Think. Feel. Bricks.

In seiner geringen Freizeit widmet er sich mit „**Brick A Shop – Think. Feel. Bricks.**“

Konstruktionen und Nachbildungen mit den berühmten Bausteinen.

So erstellte Shamir auch Anleitungen für die australischen Symboltiere Känguru und Koala Bär – und eben den großen Laufvogel Emu.

Mit etwas „Farbanstrich“ für das Kopfhaar sieht der kleine Klötzchen-Vogel der Comic-Vorlage unseres schlaunen Museums-Maskottchens EMU schon ganz ähnlich.

Die typischen Waldkirch-Farben um den Hals

Den gelb-blauen Schal gibt es natürlich nicht beim berühmten Bausteinen-Hersteller zu kaufen. Den gibt es nur bei uns.

Diesen besonderen Schal hat ein großer Fan des Elztalmuseums während einer langen Zugfahrt für das EMU gestrickt.

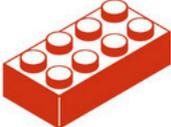

Wir sagen Danke!

Los geht's!

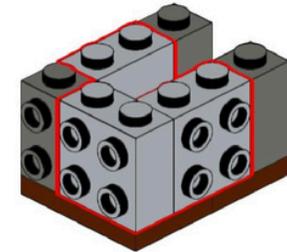

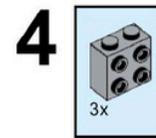

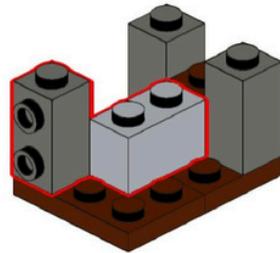

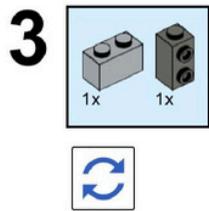

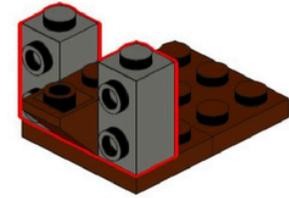

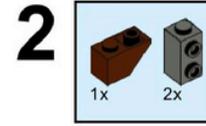

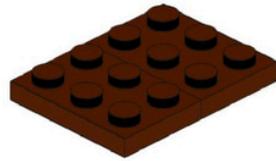

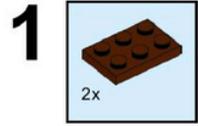

Ran an die Steinchen!
